13 h 30 à 15 h 30 : Workshop discussion

Animation By Réna Deschenes

- Beginning of the 6 workshop discussion in parallel (1 challenge by table = 6 tables).
- 3 subjects to discuss (for all 6 tables in the same time), with 3 different angles.
Within each round, participants might sit around the table (8 persons by table); A mentor will animate and direct the discussions related to the correspondent subject. After each round the participants change tables (tables numbers and assignments will be given to participants at the beginning of activities)
-

13 h 30 à 13 h 50: *1st round of discussions on the first subject: identification of current Technologies and initiatives offered in the home care market*

13 h 50 à 14 h 10: *2nd round of discussions on the first subject and then, table moving;*

14 h 10 à 14 h 30: *1st round of discussions on the second subject: Identify deficiencies in actual services and current gaps offered to seniors;*

14 h 30 à 14 h 50 : 2nd round of discussions on the second subject and then, table moving;

14 h 50 à 15 h 10 : 1st round of discussions on the third subject : **Role of R & D to improve the attractiveness and accessibility of technologies for MAD**;

15 h 10 à 15 h 30: 2nd round of discussions on the third subject and then, table moving;

15 h 30 à 15 h 45: **Break — Boots visit — Networking.**

15 h 45 à 16 h 15: **Conclusion of the 6 discussion workshops**

By the table mentors

Each table mentor will have about 5 minutes to present to the participants the result of discussions that took place at his table. A global synthesis will be made by the conference organizers and will be sent later to participants.

16 h 15 à 16 h 30 **Closing: Summary and Outlook**

By Tayeb Medjeldi

16 h 30 à 17 h 30: **Cocktail and networking**
